6. (Unclassified - GLC) Called Lt. Colonel R. A. Jones, in the office of the Army Judge Advocate General, about his draft letter to Senator Vance Hartke responding to an inquiry the Senator had received from a constituent on the Green Beret case. I gave Colonel Jones several minor suggestions on his draft which he seemed willing to accept and told him we appreciated their cooperation in contacting us on this.

7. (Unclassified - GLC) Frank Tsutras, Administrative Assistant to Representative James Kee (D., W. Va.), called about a constituent from Bluefield, West Virginia (60 years of age) who is interested in CIA or State Department employment. Avoiding the age factor, I gave Mr. Tsutras some suggested language for a letter to the constituent indicating that our personnel situation was such that we were not taking on many new employees.

8. (Confidential - GLC) Bill Woodruff, Senate Appropriations Committee staff, called and said Senator Russell had decided to invite the members of the Armed Services CIA Subcommittee to our budget briefing. He stressed that this was at the invitation of Senator Russell. He also said the "invitees" (Senators Fulbright, Mansfield and Aiken) are not being invited. The Armed Services Subcommittee members will not be present at the NSA and [redacted] hearings in the morning.

10. (Confidential - GLC) Bill Woodruff, on the Senate Appropriations Committee staff, called and said that Senator Russell wanted to schedule a CIA budget hearing this Friday afternoon or next Monday morning before the CIA Subcommittee of Senate Appropriations Committee. Woodruff said they would have NSA and [ ] hearings Friday morning. Since Senator Russell wants to complete all of these in one day, he would like the Agency to be available Friday afternoon. If the NSA and [ ] hearings run into the afternoon on Friday, it would then be necessary for the Subcommittee to hear the Director on Monday. After obtaining the Director's approval, I advised Woodruff that either Friday or Monday would be convenient. Woodruff pointed out that he would not be able to let us know about the Friday afternoon session until noon on that day.

Jones, in the Army's Judge Advocate Generals office, concerning a reply which Jones is preparing for the Army to an inquiry from Senator Vance Hartke (D., Ind.) on the Green Beret case. 12. (Unclassified - GLC) Mr. Michael Finley, on the staff of Representative Dante Fascell (D., Fla.), called to say that a friend of the Congressman's, [ ] had recently returned from foreign travel and they felt he had information which might be of interest to us. 13. (Secret - GLC) [ ] of FE Division, advised me that contact had been made with Mr. Parker, the AID investigator, who was in contact with Senator Ribicoff's Subcommittee concerning black market and related activities in Vietnam. Mr. Parker informed FE that he had been in touch with the Subcommittee and did not expect [ ] (associated with the Agency on a contract basis) to be called regarding any irregularities in his business activities in Saigon. Parker commented that [ ] was considered "relatively small potatoes." An appropriate cable is being sent to the field.

8. (Internal Use Only - LLM) Bill Ogilvy, in the office of Representative Wendell Wyatt (R., Oreg.), called and said that [redacted] attorney, Catherine Zorn, wanted to know the name of an Agency official to whom she could write to apply for entry into the United States under 50 USC 403 (h). Ogilvy said that Zorn is making it difficult for the congressional delegation and that a lot of hometown sympathy has been built up for

25X1C [redacted] She apparently isn't content to rely on their advice to her that after she exhausts the administrative remedies they would be in a better position to help, e.g., a private relief bill. Zorn has until 3 October to justify a closed hearing to the regional hearing examiner which, if she is successful, will be held on 10 October. Ogilvy said they felt that they were a little bit in the middle between Zorn and the Agency at this point and I said we would be glad to contact Zorn directly. After discussing this with OGC and [redacted] it was agreed that [redacted] would call Zorn on Monday and, if necessary after the call, it would be followed up by the [redacted]
